# OUR TIPS FOR BEGINNERS!

## First time skaters:

For first time skaters, please sign up for Snowplow Sam or Basic 1 based on age.

## What to Wear:

We strongly recommend wearing helmets, gloves, warm pants (snow pants are a great idea) and long sleeves.

## When to Arrive:

We recommend arriving 15 minutes prior to lesson time. This gives you time to check in and get your skates on. Help will be provided with skates, if needed.

## What's Required:

Membership in Learn To Skate USA is a requirement for all skaters at all levels. Membership is annual and due every July. You can enroll by visiting their website. [www.learntoskateusa.com](http://www.learntoskateusa.com)

**Most importantly,  
HAVE FUN!**

# OUR PROGRAM

## Our Classes:

Classes are taught in increments of 30 minutes. Included with registration fee is one 30 minute instructional period per week. Skating Edge follows the guidelines of Learn to Skate USA program, which is the governing body of the United States Figure Skating Association. Skills learned in our program will take your skater from the very basics to the elite skater they could become. Our instructors are all certified Figure Skating Instructors with full credentials and background screenings yearly.

## Class Level Breakdown:

### Snowplow Sam

Snowplow Sam class is geared towards your tot aged student, ages 3-6. Classes are meant to be fun, playful and skaters will progress at their own pace.

### Basic 1

Skaters will begin to learn how to glide across the ice both forwards and backwards.

### Basic 2-6

Beginning in Basic 2, skaters will learn the fundamentals of balance by gliding on one foot, and by Basic 6 your skater will be spinning on one foot.

### Pre-Freeskate - Freeskate 6

Pre-Freeskate - Freeskate 6 is where your skater will learn the fundamentals of jumps and spins. By the completion of Freeskate 6 your skater will have learned multiple types of spins, jumps and even their Axel!
